

# Woodland bingo

Cut out a set of cards to play woodland bingo. You can play by listening, looking, or finding shapes and textures. Cross out each thing that you come across - the first person to cross everything out shouts 'bingo!'

## Shape bingo

Go on a woodland walk and see how many shapes you can find in nature.

<b>spiky</b>	<b>soft</b>	<b>rough</b>
<b>fluffy</b>	<b>bumpy</b>	<b>springy</b>

<b>soft</b>	<b>crumbly</b>	<b>fluffy</b>
<b>springy</b>	<b>smooth</b>	<b>hard</b>

Enjoy the woods safely & responsibly: take litter home, avoid picking whole flowers & plants, & wash your hands afterwards.
