

5.10 Dundry Hill Forest of Avon

Map Ref: 10.1 **Dundry Settled Hill (NSC H5)**

- a. Ensure all woodlands have a current Forestry Commission management plan (or equivalent), addressing broad objectives, supporting their preparation and delivery. Ensure recent and developing woodlands on the 'Northern Slopes' are managed to maximise biodiversity and do not encroach lowland meadow and other priority habitats.
- b. Ensure any new development requires the conservation and planting of trees within the site and as determined by scale and impact, includes off-site tree and woodland planting.
- c. Conserve and regenerate hedgerow boundaries with an initial focus on those outside grant schemes, which are not low cut and/or where hedgerow trees are present.
- d. Conserve hedgerow and other field trees and plant new ones at irregular spacings where absent within hedged boundaries.
- e. Conserve and restore dry stone walls, with an initial focus on those outside grant schemes.
- f. Ensure the Community Forest Path and other public access routes are easy to use and follow.
