<b>Executive Summary</b>	4
<b>Contents</b>	6
<b>1. Introduction</b>	9
1.1 Structure of this document	10
1.2 What do Trees and Woodlands do for Us?	10
1.3 Why Take Action Now?	12
1.4 Why do We Need a Strategy?	13
1.5 Policy Context	14
National Policy	14
West of England Context	15
Local Context	15
<b>2. A Strategy for the West of England’s Trees and Woodlands</b>	17
2.1 The Vision	17
2.2 Delivering the Vision	19
Action for Trees and Woodlands to Date	19
Five-Year Action Plan for Trees and Woodlands	20
Suggested Flagship Projects	26
Strategic Woodland Areas	27
Funding and Delivery Mechanisms	32
<b>3. Trees and Woodlands in the West of England</b>	37
3.1 Benefits of Trees and Woodlands	37
3.2 Our Evidence Base	40
Existing Trees and Woodlands	40
Nature Recovery Network	44
Woodland Opportunity Areas	45
Ecosystem Opportunity Mapping	45
3.3 Tree and Woodland Challenges in the West of England	46
Existing Trees and Woodlands	46
Establishing New Trees and Woodlands	51
<b>4. Principles for Tree and Woodland Establishment and Management</b>	57
4.1 Nature’s Recovery	57
4.2 Climate Change	59
4.3 Natural Flood Management	60
4.4 Health, Wellbeing and Culture	60
4.5 Sustainable Woodland Economy	61

4.6	Managing Woodlands for Ecosystem Services	62
	Sustainable Woodland Management	62
	Ash dieback	63
	Other Pests and Diseases.	63
	Preventing establishment of disease, pests and invasive species	64
	Deer management	64
	Grey Squirrel management	64
4.7	Further Resources	65
	Woodland Management	65
	Tree Planting	65
	Trees in agricultural settings	65
	Ash Dieback	65
<b>5.</b>	<b>Tree and Woodland Priorities by Landscape Character Area</b>	<b>67</b>
5.1	Clevedon, Portishead and Gordano	69
5.2	Weston-Super-Mare and Environs	72
5.3	North Somerset Shoreline and Moors	75
5.4	Woodland and Parkland Uplands: Abbots Leigh, Tickenham, Failand	77
5.5	North Somerset Open Plateau, Wooded Slopes	79
5.6	Mendip Slopes, Lox Yeo Vale and Bleadon Hill	81
5.7	Chew Valley	84
5.8	Yeo Valley and Spring Line Villages	86
5.9	Nailsea, Backwell, Long Ashton and Environs	88
5.10	Dundry Hill	90
5.11	Cam, Wellow and Somer Valleys Around Norton Radstock	91
5.12	Severn Estuary Shoreline and Levels	94
5.13	Bath and Environs (Bathscape)	96
5.14	Cotswold Scarp and Dip Slope	100
5.15	Ridges Landscape from Shirehampton to Tytherington	103
5.16	Pucklechurch Ridge, Boyd and Golden Valleys	105
5.17	Frome Valley, Westerleigh Vale and Oldland Ridge	107
5.18	The South Gloucestershire Vales	109
5.19	Greater Bristol	112
5.20	Keynsham and Environs	114
5.21	Settled Undulating Plateau Newton St. Loe to Hinton Blewitt	117
5.22	River Avon and other riparian habitats	118
	<b>Appendix I: Potential grants and sources of income for woodland creation and management</b>	<b>122</b>
	<b>Appendix II: List of Acronyms used</b>	<b>125</b>
